

BUSINESS DATA ANALYST. VILNIUS, LITHUANIA

This is a great opportunity to become a part of our Finance Team in Vilnius. You will play an important role in analyzing financial data and helping to identify company's financial and investment strategies. BAA Training has offices in Vilnius, Lithuania; Barcelona; Lleida, Spain; Paris, France and Ho Chi Minh, Vietnam. The company is constantly growing with a further possibilities to move to any of the multiple locations and departments we have. Aviation is a very fast-paced and truly multicultural world. If you are quick on your feet, like to converse in English, like meeting people from all around the world or love aviation – contact us now!

We promise a highly challenging field and wide scope of responsibilities, which will initially cover:

- Development of financial and management reports.
- Cooperation with other business units to understand their requirements of financial data and reports.
- Familiarization with key business data sources and using them when creating reporting solutions.
- Development of reporting infrastructure, using business intelligence (BI) tools.
- Optimization and automation of existing reporting processes, implementing new ones.
- Providing insights and analysis of business performance.
- Preparation of weekly, monthly and quarterly management reports.
- Participation in periodical financial forecasting and planning routines.

We dream about a team member who:

- Has more than two years of experience in Financial/Business/Data Analysis or similar areas.
- Holds a university degree in Finance/Economics/IT/Mathematics fields.
- Demonstrates proficiency in MS Excel and MS PowerPoint.
- Ideally, has experience with Power Query tool.
- Knowledge and experience of working with BI tools, e.g. Power BI, QlikView, Qlik Sense, is a plus.
- Can work independently, is self-motivated and takes ownership.
- Possesses a passion for data, keen attention to detail, and strong analytical skills.
- Communicates effectively in English.
- Is flexible with good time management skills.
- Maintains a respectful and positive attitude.
- Has an interest in continuous learning and thinks aviation could be the love of one's life.

What we offer you:

- A health Insurance package after 3 months working for the Company.
- Contribution to your pension fund for seniority
- Work from home in compliance with company policy.
- Additional holiday days for seniority after 2 years working for the company.
- A Wellness Day to take care of yourself and a Birthday Day to celebrate.
- Mental gym to support your emotional wellbeing from Mindletic.
- An entertainment flight with a full flight aviation training simulator.
- Contemporary and convenient office space in a new growing AEROCITY area.
- Sport club and childcare service for your convenience.
- Public transport cover during the weekdays or parking space near the office.
- Discounts and special offers from various partners of the group.
- Extensive on boarding plan to ease your integration into company.
- An international and multicultural environment in vibrant industry with plenty of challenges to achieve.
- Personal growth possibilities if you are eager to progress in your career, we have a bunch of examples to share.

Salary: from 2800 € (brutto)
